Where products get sold

AmpliFI Core puts every product on the deal. The presentation enhances the close.

Meet buyers anywhere

Print at the desk, show it on an iPad, or send it to their phone. In-store or remote.

Shop at their own pace

A self-guided way for buyers to review and choose their protection on their own time.

Same menu, every deal

A standardized presentation means consistent, compliant offers on every deal.

Built on the same engine as AmpliFI Core — every product still gets built into the deal automatically. The menu is what's new.
