Where Products Get Sold

AmpliFI Core puts every product on the deal. The presentation is what turns that into a close.

Meet Buyers Anywhere

Print at the desk, present it on an iPad, or send it to their phone — in-store or remote.

Self-serve Checkout

A self-guided way for buyers to review and choose their protection, on their own time.

Same Menu, Every Deal

A standardized presentation means consistent, compliant offers on every deal, every F&I manager.
